

ANZAHPE

WHO ARE WE?

The Australian & New Zealand Association for Health Professional Educators (ANZAHPE) is the peak organisation for practitioners involved in the education and training of health professionals in Australia and New Zealand.

WHAT WE OFFER

ANZAHPE offers professional development opportunities, networking opportunities, ANZAHPE research grants and awards, Fellowship opportunities, fee free publication in the ANZAHPE online journal, Focus on Health Professional Education and more! As an ANZAHPE member, you can have a positive impact on the direction that health professional education is heading in.

OUR CORE OBJECTIVES

- promote, support and advance education in the health professions
- facilitate communication between educators in the health professions
- promote undergraduate, postgraduate and continuing education and training
- recognise, facilitate and disseminate high quality educational research in health professional education
- be the focal point for health professions education in the Western Pacific region

MEMBERSHIP WITH US

With over 850 members from across Australia and New Zealand, ANZAHPE is a collegial network that exists to promote, support and advance the practice of health professional educators and to meet and give expression to the professional needs of its members. Ready to join an amazing community of health professional educators?
